# Forward Looking Statements

This presentation contains “forward-looking information” and “financial outlook” within the meaning of applicable Canadian securities laws and may contain forward looking information attributed to third party industry sources. These statements and information are predictions only and represent Geodrill’s expectations as of the date of this presentation and Geodrill does not undertake any obligation to update the forward looking information or financial outlook to reflect new information, subsequent events or otherwise. By their nature, forward looking information and financial outlook involve numerous assumptions, known and unknown risks and uncertainties, both general and specific, that contribute to the possibility that the predictions, forecasts, and projections made will not occur and actual events or results may differ materially from such predictions, forecasts, and projections. Undue reliance should not be placed on such information as there can be no assurance that the plans, intentions or expectations upon which they are based will occur.

Forward-looking information is also based upon the assumption that none of the identified risk factors that could cause actual results to differ materially from the forward-looking information will occur. Accordingly, specific reference should be made to the risk factors described in the Annual Financial Statements available on SEDAR.

# Positioned for growth

## **HIGH PERFORMANCE RIG FLEET**

- Tier-1 rig fleet attracts top tier clients
- Less downtime, more consistent results

## **FINANCIAL FLEXIBILITY**

- Able to maintain pricing discipline
- Remains efficient and maintains margins

## **FOCUS ON CORE MARKET**

- High-growth market
- Trusted management team with strong geographical knowledge

## **CUSTOMER MIX**

- Well-established, long-term client relationships
- 80% senior mining top-tier customers

## **Opportunities for Growth**

- Secured **FIRST** underground drilling contract
- Junior exploration returning

# Superior Fleet of Multipurpose Rigs

## **HIGH EFFICIENCY** **HIGH PERFORMANCE**

Multipurpose rigs can switch between reverse circulation and diamond core drilling with minimal effort and little downtime

Multipurpose rigs do not have to be retooled or retrofitted to drill for different minerals

Our rig fleet is most modern in industry

Fleet currently consists of 58 rigs

# Our Mechanical Advantage

State-of-the-art operations facility ensures our fleet is well-maintained

- Workshop manufactures up to 300 different frequently replaced parts including drill rods

Workshops centrally located to client projects:

- Able to reach projects to deliver repaired parts quickly; reduced need to ship parts from out-of-country
- Less downtime for rigs awaiting repair

Contingency plan with sufficient inventory and fuel for a month reduces work stoppages/disruptions

Our people make the difference

## **HIGHLY TRAINED AND SKILLED WORKFORCE DRIVES PRODUCTIVITY**

All operations designed to meet the highest health and safety standards

---

90% of workforce are contract, non-unionized employees
